

I remember My Trip To Mexico

I remember my trip to Mexico. My brother and I went to Mexico. My Mom also went with us. We all ate Mexican food. I went for a walk and I took a ride on a horse. I played a game of basketball with my Mom.

I went to Mexico 3 years ago in the winter. I spent 2 weeks there. I went to the beach. I stood in the ocean. I would like to try to travel to another country.
